

Participant Materials Scholarship Application

It is the intention of VANTAGEPOINT³ to make it financially feasible for all participants to go through our processes. We feel that after The Journey, individuals will have experienced the value of the process and maybe even wish to pay it forward. With that in mind, and as we ourselves are financially able, we would like to invite you to complete this scholarship application. The following guidelines are used to help determine allocation of scholarship funds. These funds will apply to one individual's participant materials.

Scholarship Guidelines

- Demonstrated financial need
- Present story/reality of the individual
- Desire for depth and renewal in their life

Application Form

Please email completed application to hello@vantagepoint3.org
