

A VANTAGEPOINT³ RETREAT

Faithfulness and Focus in this Season of Your Life

Saturday, April 29, 2017 • 8:30AM - 4:30PM

God is up to something very good in your life and in your community, but are you paying attention? Let's be honest, paying attention is not easy. Our lives can become so full, fragmented and loud that the most important things sadly go unnoticed.

Join VantagePoint3's Rob Loane and Pam Edwards for a one-day retreat designed for you to pay attention to the Spirit's activity in your life. Where might God be inviting you to a deeper intimacy and a greater cooperation with what the Spirit is up to in the world?
