A Way of Life

What is the NEXT STEP
on your journey?

A lifelong apprenticeship with Jesus

So I have said “yes” to Jesus. I’m in. I have been grabbed by him. But how will I remain faithful to him? How do I set my feet on a path of really, truly following Jesus with my life? What relationships, spiritual practices, and habits will help me sustain a way of life faithful to Jesus my whole life?

Building on the experience of *The Journey*, *A Way of Life* invites us (again in community with fellow travelers) to: (1) a fuller understanding and practice of a life attentive to God, (2) a deeper and more confident sense of God’s unique calling in our lives, and (3) a way of structuring and ordering our lives toward a lifelong apprenticeship with Jesus.

We will spend time together learning how to deepen our relationship with God, how to live honestly and faithfully in Christian community, and how to live our whole lives — including our work lives — in mission with God.
