

AN INVITATION TO GROW DEEPER

The Journey

How do you fit into God's story?

Join us on The Journey ...

*“We must no longer be CHILDREN ... we must
GROW UP in every way ... INTO CHRIST.”*

EPHESIANS 4:14-15

*“It creates a spiritual community.
This community is so vital for
spiritual growth. It is the closest
thing that I have experienced to
the church in Acts.”*

In the midst of all of life's activity, do you ever feel like you are just skimming the surface? That you have been called to something greater?

We cannot afford to procrastinate this work of growing up into Christ. For the Church to flourish, we need to mature in our relationship with God and with one another.

At VantagePoint3 we want to help you awaken to God's good work in and through you!

... to explore the biggest questions of your faith.

The Journey is a meaningful walk with a group of adults guided by three primary questions:

- Who is God?
- Who am I?
- What does God desire to do through me?

Explore deeper intimacy with God, identity as God's beloved children, and figure out where YOU fit into God's kingdom work.

Imagine the significant rewards that could result from spending six to eight months meeting weekly with a group of adults with similar questions and desires, walking through a process that will awaken, deepen, and empower your spiritual life.

The Journey groups are being formed now to help you explore these critical questions of your faith.

*"By going through
The Journey ... it was
like getting a new pair of
eyeglasses and actually
seeing the world for the
first time. It's a lot of
studying and reading,
but you come away with
something truly amazing.
I have learned what Jesus
wants me to do with the
time I have left on
this planet."*

What are people saying?

For more than 10,000 individuals from over 280 churches, *The Journey* has served as a catalyst to a deeper commitment to Christ and to the work of their local church. God is using it to transform lives!

From past participants of The Journey:

"I have become more aware of God's desire to use me, exactly how He made me, to perform a work and live a life that makes a difference in my world."

"I am more self-aware — especially of the things within myself that have been keeping me from being all God created me to be — and I am learning to step out in greater confidence."

There is so much more to this life with Christ.
