Walking with Others

Are you ready to invest
in the lives of others? >>>

Helping others grow up into Christ

Walking with Others is for those who share the Apostle Paul's deep concern — helping others grow up in every way ... into Christ (Ephesians 4:15). You will be challenged to take a next step in your development — learning to guide other adults toward a deeper maturity in Christ.

As you have been discovering throughout *The Journey* and *A Way of Life* you have a unique mix of experiences, gifts, talents, strengths, personality, education, history, and character. The Spirit has been graciously crafting you into a shape fitting for the body's functioning and flourishing (Romans 8:3-12). Your life is not your own; it is a gift you offer to others and to the Lord. How then is this gift of your unique life to become a gift for others?

"A mark of Christian maturity is becoming more concerned and intentional at investing in the growth and maturity of those around us. It has become one of the more significant needs within our culture and within the Church today."

Walking with Others will invite you to:

- Understand more deeply that God is a developmental God and we are his developmental people.
- Become a developer of others.
- Pay attention to your lifelong apprenticeship with Jesus.
- Embrace your role as a change agent in the world and in your community.

STAGE 1: A PLACE OF LEARNING AND FORMATION

How can we be a part of cultivating conditions for our community to become a place where men and women mature into persons of greater wisdom, integrity, compassion, giftedness, and service as apprentices of Jesus?

STAGE 2: A LIFELONG PERSPECTIVE

Developing others in Jesus' name requires that we adopt a lifelong and holistic perspective on each person's maturity into Christ, learning to pay attention to developmental cues along the way.

STAGE 3: A LEADERSHIP OF COMPANIONSHIP

Beyond simply telling people how to live, we can provide a mentoring attention and presence in our contexts that actually helps others discover more deeply who God is, who they are, and what God wants them to be up to in their community and in the world.
