# Rooted and Grounded in God's Love: A Leader's Journey

---

This VP3 gathering is designed to create a space to pause and prayerfully reflect upon the things that matter most to you. Join other like-minded leaders as we consider together—"What sort of people are we actually becoming and where is the Spirit inviting us to a deeper cooperation with what Jesus is up to in our development?"

Scott Shaum and Sam Nikkel will be co-facilitating our conversation. VP3's Rob Loane, Pam Edwards, and the rest of the team will be hosting the time. The retreat includes lodging on Wednesday and Thursday nights. The schedule begins with dinner on Wednesday and concludes by 11:30am on Friday.

Visit [www.vantagepoint3.org/vp3-gathering](http://www.vantagepoint3.org/vp3-gathering) for expanded details and early bird discounts.
