S3, Session 7: A Patient Work

---

*Progress in our spiritual lives may mean we move into a new place of not being merely the receiver. Indeed, a cornerstone of Christian faith is that a full Christian life involves both receiving spiritual blessing and in turn becoming a blessing. We deepen our Christian life for more than our private edification. We grow to help others grow. The one who learns becomes one who helps others learn, in a beautiful reciprocal relationship.*

*Timothy Jones*

*You then, my child, be strong in the grace that is in Christ Jesus; and what you have heard from me through many witnesses entrust to faithful people who will be able to teach others as well.*

*2 Timothy 2:1-2*
