

The Journey

VP3

Helping adults take a deep dive into their lives in light of the stunning story of Jesus

VP3's *The Journey* process has been a catalyst for deep transformation and spiritual community in over 16,000 adults across North America for 25 years. What *The Journey* provides is neither a book nor a seminar but rather a process for an extended conversation about God, ourselves, and where we fit in his kingdom work in the world.

In short, *The Journey* is a meaningful walk with a group of adults guided by three primary questions: Who is God? Who am I? What does God desire to do through me?

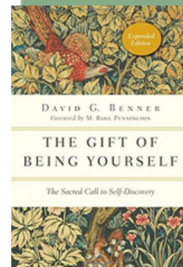

The Journey unfolds in three stages:

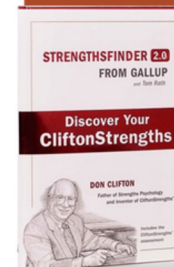

[7 SESSIONS]

[7 SESSIONS]

[7 SESSIONS]

The Journey is for those who:

- are hungry for more in their faith journey, no matter where they are now
- ask thoughtful spiritual questions
- care about Jesus' way
- have a burden or passion for the world and desire to serve
- seem eager to learn
- are already in leadership roles
- would like to prepare for leadership roles
- are facing a life change that is causing them to relook at their life
- are considering career changes
- are retired and seeking meaningful ways to invest in others or serve
- are looking for a space and a place to address the biggest questions of their lives

How The Journey works:

- A *Journey* group is composed of 5-12 adults led by a VP3-trained facilitator/leader.
- A typical group progresses through the three stages of *The Journey* in 6-8 months, but there is great flexibility in adapting the rhythm and pace to the needs of your group.
- The process includes regular study, reflection, Bible reading, and prayer and other practices for about 2-4 hours in preparation for the group gathering.
- *Journey* participants will find a spiritual mentor or friend to meet with once or twice a month throughout the process.

I was at a spiritual inflection point, and all the “standard” ways I had been taught to engage with God were falling flat. I was hungry for depth and insight and challenge and an equally-curious community.

My *Journey* group was the most connected and vibrant study group I have ever been a part of.

The Journey provides the structure for great community and discipleship for a beginner to a long-term follower. VP3 helps to set the table.
